TUITION & SCHOLARSHIP INFORMATION

St. Mary's School - Guiding Children to Christ Through a
Community of Faith, Knowledge, and Service

As a private Catholic school, we receive funding from the Church of St. Mary community as well as tuition from parents to cover the cost of educating our students.

Tuition is set each year with the advice of the School Board and the Parish Finance Council.

Flexible payment plans are available to all families in payments of 10 months, by semester, quarter, or annually. Other arrangements can be made on an as-needed basis.

A Catholic education is one of the most important investments you will make in the life of your child(ren) and we recognize that the costs can be challenging for some families. For this reason, we offer an application for tuition assistance through St. Mary's School Trust Fund Scholarship program. Because of the support of this scholarship program, **no child has ever been denied enrollment due to financial reasons.**

Please contact the school office for this year's tuition or for more information on how to apply for a Trust Fund Scholarship.
